**NOTICE**

In response to vacant seats matrix displayed at State CET web site as well as this college web site unexpectedly large numbers of e-mails have been received in our inbox. Downloading all e-mails attachments and entering the data and checking all applications before 01.00 pm had been a huge task. Considering the sensitivity of the issue there was a need to take utmost precaution. So we have taken all the e-mails in to our consideration. . This work of downloading and tabulating the data and preparing the list is taking more time. Hence we request you to consider this fact. The selection list and wait list will be displayed as early as possible.
