## Gender sensitization action plan

Institute has high priority for gender sensitization. To achieve this, institute has gender sensitization action plan. Healthy gender attitude is necessary for the professionals dealing with healthcare. This is to avoid gender bias, discrimination and stigmatization on the basis of gender. With this plan institute tries to reach every section of community to make them aware of gender equality.

Institute has total five activities for students, staff and other people.

### 1) Gender sensitization for all:

Aim: Creating overall awareness about gender equality.

Speaker: In this talk respected members of community preferably female who is expert of the field should be invited.

Target audience: This session should be for all academic staff, nursing and non-academic staff.

Duration: Session will be of 1 hr. duration.

Type of Session: PowerPoint presentation or simple guest lecture.
