Reference - NAAC requirements.

Sir/Madam,

This is to inform you that-

- 1) Special tab on home page of college website is to be created for NAAC accreditation which has already been done.
- 2) Under the said NAAC/IQAC tab, many essential documents for process of accreditation are to be uploaded. For this purpose we require index/content page/pages.
- 3) It is also essential to provide enough space on the said tab for uploading mandatory documents.

Therefore, an Index/Content Page/Pages have been prepared by NAAC office. We are enclosing these content/index pages for your necessary action.

- 4) We are not sure at the moment, but user name and password may be required in future for DVV process. This user name and password may have to be provided to DVV partner of NAAC as per their direction during/ after uploading SSR on NAAC website.

It is therefore requested to make it convenient to arrange for uploading content/ index page/on NAAC tab, so that requisite documents can be uploaded at the appropriate place on content/index page/pages.

If required, we are available at NAAC office and Pathology department for interaction, discussion and sorting out issues of any.

Thanking You.

Regards.

Yours truly,
