## CERTIFICATE OF FELLOWSHIP

This is to certify that Dr. Sangram Deshmukh completed an Observational Fellowship at Medway NHS Foundation Trust from 05/06/2019 to 21/06/2019. The Fellowship gave him in depth exposure to Orthopaedics, Arthroplasty and Adult Reconstruction. During this period he attended Trauma Meeting, Out Patient Clinics and both elective and trauma theatres. He also attended the Departmental Clinical Governance Meeting and Upper Limb Research Meeting. This has given him an opportunity to interact with a variety of surgeons specialising in different aspects of orthopaedics and hopefully he can inculcate some of this in his practice in India.
