Dept. of Medicine
Dr. P.D.M.M.C. Amr.
Outward No. 1296/23
Date 08/02/23

Activity/Project/Event Name: Gender Sensitization Ceremony

Venue: Guyton Hall **Department:** Medicine

Date of Activity/Project/Event: 08/02/2023 **Time:** 4 P.M.

Objectives:

1. For the awareness of all post-graduate students undergoing training at this institution.
2. For awareness of the community

Importance/Relevance/Introduction:

In the modern era where women have shown equal competency in all fields, there still exists bias and discrimination based on gender. This topic is of utmost importance to all male and female Junior Residents undergoing post-graduation training at this institution.

Brief description of the activity:

Program on Gender Sensitization was held by Medicine Department in coordination with Internal Complaint Committee on 08/02/2023 in Guyton Hall of Dr. P.D.M.M.C. Amravati at 4 P.M.

President of the program was Dean, Dr. P.D.M.M.C. Amravati, Dr. A.T. Deshmukh Sir.

A lecture was arranged with PowerPoint presentation regarding gender sensitization program for post graduate students. Speaker stressed on idea of creating a more harmonious work environment where gender doesn't factor in into the tasks given and tasks expected to be done. Session was attended by 30 students after the lecture group discussion activity was also carried out.

Recommendations:

1. Such gender sensitization programs should be held more frequently
2. People of renown from various fields should be invited to voice their opinions of gender and equality in their respective fields.

Activity (Event) Report 2023

Dept. of Medicine
Dr. P.D.M.M.C. Amr.
Outward No. 1286/23
Date 24/05/23

Activity/Project/Event Name: Gender Sensitization Program
Venue: Guyton Hall **Department:** Medicine
Date of Activity/Project/Event: 24/05/2023 **Time:** 11.00 A.M.

Objectives:

1. To create awareness among interns of work pattern in clinical departments.
2. To have guidance peers regarding gender equality and biases at workplaces.
3. For awareness of the patient community.

Importance/Relevance/Introduction:
In this era of modernization where women enter the workforce in all sorts of jobs, they still face gender inequality and biases against their role. This topic is of utmost importance to all male and female interns undergoing training at this institution.

Brief description of the activity:
Program and Group Discussion on Gender Sensitization was held by Department of Medicine in coordination with Internal Complaint Committee on 24/05/2023 in Guyton Hall of Dr. P.D.M.M.C. Amravati at 11.00 A.M.
Hon. Dean, Dr. P.D.M.M.C. Amravati, Dr. A. T. Deshmukh presided over the function. A group discussion activity was taken during the program in which interns participated. Difficulties regarding gender equality and gender bias at working place were discussed. There was discussion guiding selection of particular stream in postgraduate courses based on gender as per their aptitude. To offer personal guidance to interns about gender equality in academic and clinical atmosphere.

Recommendations:

1. Such gender sensitization programs should be evaluated frequently in day to day work activities of interns.
2. The attendees should be sensitized to have discussion of the topic regularly.
3. People with personal experiences of gender bias should be allowed to address the attendees and share their views with healthy suggestions promptly.

Objectives:

1. For the awareness of all post-graduate students undergoing training at this institution.
2. For awareness of the community

Importance/Relevance/Introduction:

In spite of all recent advancements, there still exists a gap between equality of men and women in all strata of community. This topic is of utmost importance to all male and female Junior Residents undergoing post-graduation training at this institution.

Brief description of the activity:

Program on Gender Sensitization was held by Medicine Department in coordination with Internal Complaint Committee on 08/03/2022 in Guyton Hall of Dr. P.D.M.M.C. Amravati at 4 P.M.

President of the program was Dean, Dr. P.D.M.M.C. Amravati, Dr. A.T. Deshmukh Sir.

A lecture was given by Dr. Darokar Sir, Associate Prof, Dept of Surgery. Speaker stressed on Idea of gender equity at the workplace and the legal aspect of gender related issues, particularly in his own field of General Surgery where usually, female surgeons are not as favored as a male surgeon. Session was attended by 30 students after the lecture group discussion activity was also carried out.

Recommendations:

1. Such gender sensitization programs should be held more frequently
2. The attendees should be allowed to have a fruitful discussion of the topic after the lecture
3. Other faculty from various departments should weigh on their own views and experiences regarding gender biases at workplaces.

Objectives:

1. To create awareness among interns of work pattern in clinical departments.
2. To have guidance peers regarding gender equality and biases at workplaces.
3. For awareness of the patient community.
- 4.

Importance/Relevance/Introduction:

In this era of modernization where women enter the workforce in all sorts of jobs, they still face gender inequality and biases against their role. This topic is of utmost importance to all male and female interns undergoing training at this institution.

Brief description of the activity:

Program and Group Discussion on Gender Sensitization was held by Department of Medicine in coordination with Internal Complaint Committee on 25/06/2022 in Guyton Hall of Dr. P.D.M.M.C. Amravati at 11.00 A.M.

Hon. Dean, Dr. P.D.M.M.C. Amravati, Dr. A. T. Deshmukh presided over the function. A group discussion activity was taken during the program in which interns participated. Difficulties regarding gender equality and gender bias at working place were discussed. There was discussion guiding selection of particular stream in postgraduate courses based on gender as per their aptitude.

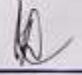

To offer personal guidance to interns about gender equality in academic and clinical atmosphere.

Recommendations:

1. Such gender sensitization programs should be evaluated frequently in day to day work activities of interns.
2. The attendees should be sensitized to have discussion of the topic regularly.
3. People with personal experiences of gender bias should be allowed to address the attendees and share their views with healthy suggestions promptly.

Activity (Event) Report 2019

Activity/Project/Event Name: Gender Sensitization Program
Venue: Guyton Hall **Department:** Medicine
Date of Activity/Project/Event: 01/08/2019 **Time:** 11.00 A.M.

Objectives:

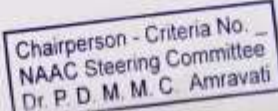

1. To create awareness among interns of work pattern in clinical departments.
2. To have guidance peers regarding gender equality and biases at workplaces.
3. For awareness of the patient community.

Importance/Relevance/Introduction:
In this era of modernization where women enter the workforce in all sorts of jobs, they still face gender inequality and biases against their role. This topic is of utmost importance to all male and female interns undergoing training at this institution.

Brief description of the activity:
Program and Group Discussion on Gender Sensitization was held by Department of Medicine in coordination with Internal Complaint Committee on 01/08/2019 in Guyton Hall of Dr. P.D.M.M.C. Amravati at 11.00 A.M.
Hon. Dean, Dr. P.D.M.M.C. Amravati, Dr. P.R. Somwanshi presided over the function. A group discussion activity was taken during the program in which interns participated. Difficulties regarding gender equality and gender bias at working place were discussed. There was discussion guiding selection of particular stream in postgraduate courses based on gender as per their aptitude. To offer personal guidance to interns about gender equality in academic and clinical atmosphere.

Recommendations:

1. Such gender sensitization programs should be evaluated frequently in day to day work activities of interns.
2. The attendees should be sensitized to have discussion of the topic regularly.
3. People with personal experiences of gender bias should be allowed to address the attendees and share their views with healthy suggestions promptly.
