16. No internal assessment answer sheets or other details regarding how they were conducted were found in the college premises.

17. No details regarding how teaching was being conducted online.

18. No stock books available.

19. Website of College not available.

20. No outdoor or indoor patients were available for students.

21. Web based biometric attendance is not available.

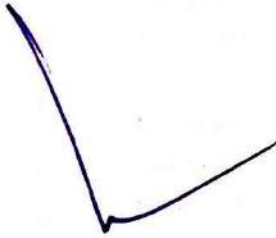

22. No strong room available for safe conduct of University examinations.

23. No Academic online teacher database uploaded by the college.

Also, when looking at the last five years university examination results of the students admitted in the concerned college, it is observed that due to lack of regular teachers and facilities in the college, this is also adversely affecting the results of the college.

In view of the above serious lapses, the College should not be granted renewal of affiliation to the Physiotherapy course for the academic year 2021-22. Also, M.U.H.S. Pursuant to the de-affiliation of the college under Section 73 of the 1998 Act, the Planning Department should be informed for further action.
