200	100	300	200	100	300

 Chairperson - Criteria No. VI
 NAAC Steering Committee
 Dr. P. D. M. M. C. Amravati

DEAN
 Dr. Panjabrao Alias Bhausaheb Deshmukh
 Memorial Medical College, Amravati

1. There will be 3 internal assessment examinations in the academic year. The structure of Preliminary examinations should be similar to the structure of University examination.
2. There will be only one additional examination for absent students (due to genuine reason) after approval by the Committee Constituted for the same. It should be taken after preliminary examination and before submission of internal assessment marks to the University.
3. First internal assessment examination will be held in December, second internal assessment examination will be held in March and third internal assessment examination will be held in July.
4. Internal assessment marks for theory and practical will be converted to out of 40. Internal assessment marks, after Conversion, should be submitted to university by 7th of August.
5. The student must secure at least 50% marks for total marks (combined in theory and practical/clinical: not less than 40% marks in theory and practical separately) assigned for internal assessment in a particular subject in order to be eligible for appearing at the final university examination of that subject. Internal assessment marks will reflect as separate head of passing at the summative examination.
6. **Remedial internal assessment examination for Non-eligible students:** Student who were not eligible due to less than 50% combined or less than 40% in any theory or practical, will reappear as repeater student for Prelim exam which will be conducted before Supplementary Exam. His/her internal assessment will be calculated on the basis of this Examination marks only. Students who will not be eligible in this Examination will appear with regular batch as repeater student.
7. The internal assessment marks of the remedial examination alone shall be considered and converted into out of 40.

Chairperson - Criteria No. VII
NAAC Steering Committee
Dr. P. D. ... C. Amravati

DEAN
Dr. Panjabrao Alias Bhausaheb Deshmukh
Memorial Medical College, Amravati

8. Conversion Formula for calculation of marks in internal assessment examinations

	First IA	Second IA	Third IA (Prelim)	Total	Internal assessment marks: Conversion formula (out of 40)	Eligibility to appear for final University examination (after conversion out of 40) (40% Separately in Theory and Practical, 50% Combined)	
Theory	100	100	200	400	$\frac{\text{Total marks obtained}}{10}$	16 (minimum)	Total of Theory + Practical Must be 40.
Practical	50	50	100	200	$\frac{\text{Total marks obtained}}{5}$	16 (minimum)	

9. Conversion formula for calculation of marks in Remedial internal assessment examination

	Remedial Exam (Prelim)	Int. Assess. marks conversion formula (out of 40)	Eligibility to appear for Supplementary Exam. (after conversion out of 40) (40% Separately in Theory and Practical, 50% Combined)	
Theory	200	$\frac{\text{Total marks obtained}}{5}$	16 (minimum)	Total of Theory + Practical Must be 40.
Practical	100	$\frac{\text{Total marks obtained}}{2.5}$	16 (minimum)	

W

While preparing Final Marks of Internal Assessment, the rounding-off marks shall be done as illustrated in following table

Internal Assessment Marks	Final rounded marks
15.01 to 15.49	15
15.50 to 15.99	16

FORMAT/SKELETON OF QUESTION PAPER

1. Course and Year	: First MBBS <i>(applicable w.e.f. Sept. 2020 & onward examinations)</i>	2. Subject Code	: Appendix-a
3. Subject (PSP) (TT)	: Anatomy / Physiology / Biochemistry		
4. Paper:	: I	5. Total Marks	: 100
		6. Total Time	: 3 Hrs.
7. Remu. (PS)			: Rs. 300/-
8. Remu. (PM)			: Rs. 350/-
9. Web Pattern	: <input type="checkbox"/>	10. Web Skeleton	: <input type="checkbox"/>
		11. Web Syllabus	: <input type="checkbox"/>
		12. Web Old QP	: <input type="checkbox"/>

Instructions:

- 1) Fill Use **blue/black ballpoint pen only**. Each Question carries **One mark**.
- 2) A student will not be allotted any marks if he/she overwrites, strikes out or puts white ink on the circle once filled (darkened)
- 3) Do not write anything on the blank portion of the question paper if written anything, such type of act will be considered as an attempt to resort

SECTION "A" MCQ

SECTION "A" MCQ (20 Marks)

01 Multiple Choice Questions (Total 20 MCQs of One mark each) (4 MCQs should be clinical application based)

- a) b) c) d) e) f) g) h) i) j) (20x1=20)
 k) l) m) n) o) p) q) r) s) t)

SECTION "B"

- Instructions:**
- 1) Use **blue/black ballpoint pen only**.
 - 2) Do not write anything on the blank portion of the question paper. [written anything, such type of act will be considered as an attempt to resort to unfair means.
 - 3) All questions are compulsory.
 - 4) The number to the right indicates full marks. Draw diagrams wherever necessary.
 - 5) Distribution of syllabus in Question Paper is only meant to cover entire syllabus within the stipulated frame. The Question

SECTION "B" (80 Marks)

2. Brief answer questions (Any Ten out of Eleven) (10x2=20)
 a) b) c) d) e) f) g) h) i) j) k)

3. Short Answer Questions (Any Eight out of Nine) (8x5=40)
 One SAQ has to be on AETCOM Module (For Anatomy 1.1, 1.5, For Physiology 1.2, 1.3 & For Biochemistry 1.4) & Minimum 2 SAQs should be Case Based Questions / Clinically applied Questions.

- a) b) c) d) e) f) g) h) i)

4. Long Answer Questions (Any Two out of Three) (2x10=20)
 a) b) c)

Note: All questions should be structured. Wherever necessary, split up of marks should be specified.

**Second MBBS Internal Assessment S
Subject: Pharmacology**

**Applicable w.e.f October 2020 onward examination for batches
admitted from June 2019 onwards**

Phase	IA-1- Exam(Jan)			IA-2-Exam(May)			Prelim(July)		
	Theory	Practical(Including 10 Marks for Journal & Log Book)	Total Marks	Theory	Practical Including 10 Marks for Journal & Log Book	Total Marks	Theory	Practical	Total Marks
Second MBBS	100	100	200	100	100	200	Paper 1-100 Paper 2-100	100	300

Assessment in CBME is ONGOING PROCESS, N

Preparatory leave is permitted.

1. There shall be 3 internal assessment examinations in Pharmacology.
2. The suggested patterns of question paper for first two internal assessment theory examinations can be similar to any of the two papers for final examination. Pattern of the prelim examinations should be similar to the University examinations.
3. Internal assessment marks for theory and practical will be converted to out of 40 (theory) + 40 (practical). Internal assessment marks, after conversion, should be submitted to university within the stipulated time as per directives from the University. **Conversion Formula for calculation of marks in internal assessment examinations.**

Chairperson, Criteria No. VIT
NAAC Steering Committee
Dr. P. D. M. M. C. Amravati

DEAN
Dr. Panjabrao Alias Chausaheb Deshmukh
Memorial M... College, Amravati

Phase	Theory	Practical
IA1	100	100
IA2	100	100
Prelim	200	100
Total	400	300
Conversionoutof	40	40
Conversionf ormula	Total marks in 3 IAtheoryexaminatio ns/10	Totalmarksin3IAPracticalexam inations/7.5
Eligibility criteria afterconversion	16	16
	Combinedtheory+Practical=40	

4. While preparing Final Marks of Internal Assessment, the rounding-off marks shall done as illustrated in followingtable.

TotalInternalAssessmentMark s	Finalroundedmark s
33.01to33.49	33
33.50to33.99	34

5. Students must secure at least 50% marks of the total marks (combined in theory and practical/clinical, not less than 40 % marks in theory and practical separately) assigned for internal assessment in order to be eligible for appearing at the final University examination of that subject.

DEAN

Dr. Panjabrao Alias Dhausaheb Deshmukh
Amravati Memorial College, Amravati

Chairperson - Criteria No. VII
NAAC Steering Committee
Dr. P. D. M. M. C. Amravati

6. Internal assessment marks will not be added to marks of the University examinations and will be shown separately in mark list.

7. Remedial measures

A. Remedial measures for non-eligible students

- i) At the end of each internal assessment examination, students securing less than 50% marks shall be identified. Such students should be counseled at the earliest and periodically.
- ii) Extra classes for such students may be arranged. If majority of the students found to be weak in a particular area then extra classes must be scheduled for all such students. Even after these measures, if a student is failed to secure 50% marks combined in theory and practical (40% separately in theory and practical) after prelim examination, the student shall not be eligible for final examination.
- iii) Non eligible candidates are offered to reappear for repeat internal assessment examination/s, which must be conducted 2 months before next University examination. The pattern for this repeat internal assessment examination shall be similar to the final University examination. Only the marks in this examination shall be considered for deciding the eligibility criteria. Following conversion formula shall be used for converting the marks.

	Theory	Practical
Remedial examination (pattern as per final examination)	200	100
Conversion out of	40	40
Conversion formula	Marks in remedial theory examinations/5	Marks in remedial Practical examinations/2.5
Eligibility criteria after conversion	16	16
Combined theory + Practical = 40

Practical marks Distribution:

A. For 1st and IInd Examinations

1. Journal/Logbook-10 Marks
2. Viva – 20 marks
3. Clinical Pharmacy (20 marks)–
 - a. Dosage form-10 marks,
 - b. ORS preparation/IV drip setting-5 marks
 - c. Dose calculation– 5 marks
4. Clinical Pharmacology (30 marks)-
 - a. Prescription writing-10 marks
 - b. Prescription criticism and rewriting/justification of FDC–10 marks
 - c. ADR identification/ADR reporting-5 marks
 - d. P-drug list-5 marks.
5. Experimental Pharmacology (10 marks) OSPE–
 - a. Drug administration using manikin/drug effect using CAL software (or any other)-10 marks
6. Communication (10 marks) OSPE-
 - a. prescription communication/ethics-legal drug storage/use of device/drug adherence-compliance/drug dependence/OTC/interaction with Medical representative-10 marks

B. For Preliminary examinations

1. Viva – 30 marks
 - a. Viva- 15 marks
 - b. Viva II-15 marks
2. Clinical Pharmacy (20 marks)–
 - a. Dosage form-10 marks,
 - b. ORS preparation/IV drip setting-5 marks
 - c. Dose calculation– 5 marks
3. Clinical Pharmacology (30 marks)-
 - a. Prescription writing-10 marks
 - b. Prescription criticism and rewriting/justification of FDC–10 marks
 - c. ADR identification/ADR reporting-5 marks
 - d. P-drug list-5 marks.
4. Experimental Pharmacology (10 marks) OSPE–
 - a. Drug administration using manikin/drug effect using CAL software (or any other)-10 marks
5. Communication (10 marks) OSPE-
 - a. prescription communication/ethics- legal drug storage/ use of device/drug adherence-compliance/

DEAN

Dr Panjabrao Alias Bhausaheb Deshmukh
Memorial Medical College, Amravati

Chairperson - Criteria No. VII
NAAC Steering Committee
Dr. P. D. M. M. C. Amravati

Assessment in CBME is ONGOING PROCESS, No Preparatory leave is permitted.

1. There shall be 6 internal assessment examinations in OBGY.
2. The suggested pattern of question paper for internal assessment, except prelim examination is attached at the end. Pattern of the prelims examinations should be similar to the University examinations.
3. Internal assessment marks for theory and practical will be converted to out of 50 (theory) + 50 (practical). Internal assessment marks, after conversion, should be submitted to university within the stipulated time as per directives from the University. **Conversion Formula for calculation of marks in internal assessment examinations.**

	Theory	Practical
Phase II	100	100
Phase III/I	100	100
Phase III/II	300	300
Total	500	500
Conversion out of	50	50
Conversion formula	Total marks in 6 IA theory examinations / 10	Total marks in 6 IA Practical examinations / 10
Eligibility criteria after conversion	20	20
	Combined theory + Practical = 50	

4. While preparing Final Marks of Internal Assessment, the rounding-off marks shall be done as illustrated in following table.

Total Internal Assessment Marks	Final rounded marks
33.01 to 33.49	33
33.50 to 33.99	34

DEAN

Dr. Panjabrao Alias Bhausaheb Deshmukh
Memorial Medical College, Amravati

Singh
Chairperson - Criteria No. VII
NAAC Steering Committee
Dr. P. D. M. M. C. Amravati

5. Students must secure at least 50% marks of the total marks (combined in theory and practical / clinical; not less than 40 % marks in theory and practical separately) assigned for internal assessment in order to be eligible for appearing at the final University examination of that subject.
6. Internal assessment marks will not to be added to marks of the University examinations and will be shown separately in mark list.

7. Remedial measures

A. Remedial measures for non-eligible students

- i) At the end of each internal assessment examination, students securing less than 50% marks shall be identified. Such students should be counseled at the earliest and periodically.
- ii) Extra classes for such students may be arranged. If majority of the students found to be weak in a particular area then extra classes must be scheduled for all such students. Even after these measures, if a student is failed to secure 50% marks combined in theory and practical (40% separately in theory and practical) after preliminary examination, the students shall not be eligible for final examination.
- iii) Non eligible candidates are offered to reappear for repeat internal assessment examination/s, which must be conducted 2 months before next University examination. The pattern for this repeat internal assessment examinations shall be similar to the final University examination. Only the marks in this examination shall be considered for deciding the eligibility criteria. Following conversion formula shall be used for converting the marks.

	Theory	Practical
Remedial examination (as per final examination pattern)	200	200
Conversion out of	50	50
Conversion formula	Marks in remedial theory examinations $y/4$	Marks in remedial Practical examinations/4
Eligibility criteria after conversion	20	20
	Combined theory + Practical = 50	

DEAN

Dr. Panjabrao Alias Bhausaheb Deshmukh
Memorial Medical College, Amravati

Chairperson - Criteria No. VII
NAAC Steering Committee
Dr. P. D. M. M. C. Amravati

B. Remedial measures for absent students:

- i. If any of the students is absent for any of the 6 IA examinations due to any reasons, following measures shall be taken.
- ii. The student is asked to apply to the academic committee of the college for reexamination, through HOD, to ascertain the genuineness of the reason for absence.
- iii. If permitted by academic committee, an additional examination for such students is to be conducted after prelims examination. Marks for such additional examinations shall be equal to the missed examination.
- iv. Even if a student has missed more than one IA examination, he/she can appear for only one additional IA examination. In such scenario, eligibility should be determined by marks obtained in internal assessment examinations for which the candidate has appeared, without changing the denominator.

Why Foundation Course for First MBBS ?

- The medical doctor emerging from the MBBS training program should be capable of assisting the nation to achieve its goal of "HEALTH FOR ALL".
- In addition, "graduate" should meet or exceed global bench-mark in knowledge, attitude, skills and communication.
- The selection of students to medical colleges in India is based on merit of the candidate at competitive entrance examinations.
- The selection criteria do not take care of non-cognitive abilities of the students.
- The entry level students are in the age group of 17-19 years.
- At this stage of the transition from high school to a professional course, these students may also face possible maladjustment to hostel life and food, and instruction in foreign language.
- Therefore, it is necessary to develop and implement students' orientation program at the entry level of MBBS program to acclimatize them to campus environment, familiarize with teaching programs, help adapt to the academic challenges as they move from high school into undergraduate programs.
- Such structured foundation course would help students coming from a very different learning environment to cope with the vast body of knowledge and skills required in the dynamic and rapidly changing health care system.
- Besides the development of essential knowledge and skills, the emphasis on training the undergraduate students in techniques of learning will motivate them to develop the habits of self-directed learning.
- Many students who might have pursued rote learning in high school find it difficult to cope with the different learning environment in a medical college.
- The Foundation Course should aim at providing an introduction to the MBBS program that will allow students from diverse backgrounds languages and varying degrees of technical and communication skills to adapt and enhance required skills.
- There should be a provision for continued longitudinal instruction in language and computer skills following the one-month program.
- Orientation course will be completed as single block in first week.
- Based on perceived need, the students may choose language enhancement (English or local spoken or both) and computer skills. This should be provided longitudinally through the duration of the Foundation Course.
- Each college should select elements of Foundation course as per local needs and develop faculty expertise from initial years. However, experts and other teachers may be invited as per need.
- Teaching of Foundation Course will be in preclinical departments.
- Institutions shall develop learning modules and identify the appropriate resource persons for their delivery.
- The time committed for the Foundation Course may not be used for any other curricular activity.

**PHARMACOLOGY
LOGBOOK For PHASE
SECOND MBBS
STUDENTS AS PER
COMPETENCY BASED
CURRICULUM**

DEAN

Dr. Panjabrao Alias Bhausaheb Deshmukh
Memorial Medical College, Amravati

Chairperson - Criteria No. VII
NAAC Steering Committee
Dr. P. D. M. M. C. Amravati

Preface

The Medical Council of India has revised the undergraduate medical education curriculum so that the Indian Medical Graduate (IMG) is able to recognize “**Health for all**” as a national goal. He/she should also be able to fulfil his/her societal obligations. The revised curriculum has specified the competencies that a student must attain and clearly defined teaching learning strategies for the same. With this goal in mind, integrated teaching, skill development, AETCOM and self-directed learning have been introduced. There would be emphasis on communication skills, basic clinical skills and professionalism. There is a paradigm shift from the traditional didactic classroom-based teaching to learning environments where there is emphasis on learning by exploring, questioning, applying, discussing, analysing, reflecting, collaborating and doing. The recognition of this need is enshrined by a greatly enhanced allocation of time to these methods and also the assessment techniques. With this view in mind the log book has been designed as per the guidelines of competency Based curriculum.

Name of the College

Admission Year : _____

CERTIFICATE

This is to certify that,

Mr/Ms. _____

Roll No. _____ has satisfactorily attended/completed all assignments mentioned in this logbook as per the guidelines prescribed by Medical Council of India, for Phase I MBBS Competency Based Curriculum in the subject of Pharmacology.

Date: ____/____/____

Place: _____

Teacher Incharge

Professor and Head
Department of Pharmacology

DEAN

Panjabrao Alias Bhausaheb Deshmukh
Memorial Medical College, Amravati

Chairperson - Criteria No. V
NAAC Steering Committee
Dr. P. D. M. M. C. Amravati

Instructions

- 1) This logbook is prepared as per the guidelines of MCI for implementation of Competency based curriculum for Phase II MBBS students in the subject of Pharmacology.
- 2) Students are instructed to keep their logbook entries up to date.
- 3) Students are expected to write minimum 2 reflections on any two activities each of Clinical Pharmacology skills & Self-Directed Learning (SDL).
- 4) Students also have to write reflections on AETCOM Module 2.1, 2.2, 2.3) Reflections should be structured using the following guiding questions:
 - What happened? (What did you learn from this experience)
 - So what? (What are the applications of this learning)
 - What next? (What knowledge or skills do you need to develop so that you can handle this type of situation?)
- 5) The logbook assessment will be based on multiple factors like
 - Attendance
 - Active participation in the sessions
 - Timely completions
 - Quality of write up of reflections
 - Overall presentation

Instructions

The undergraduate medical education program is designed with a goal to create an "Indian Medical Graduate" (IMG) possessing requisite knowledge, skills, attitudes, values and responsiveness, so that she or he may function appropriately and effectively as a physician of first contact of the community while being globally relevant.

This Logbook gives an opportunity to achieve goals pertaining to skill learning in Obstetrics and Gynecology, so that IMG becomes capable to provide respectful maternity and Gynecology care to the society.

- 1) Logbook is a record of the academic / co-curricular activities of the designated student, who would be responsible for maintaining his/her logbook.
- 2) The student is responsible for getting the entries in the logbook verified by the Faculty in charge regularly. Certifications for competencies to be taken on same day.
- 3) Refer to university course content for skill to ensure which competencies to be covered in which phase
- 4) Entries in the logbook will reflect the activities undertaken in the department & have to be scrutinized by the, teacher in charge of session, Head of the concerned unit and department.
- 5) The logbook is a record of various activities by the student like:
 - Overall participation & performance
 - Attendance
 - Participation in sessions
 - Record of completion of pre-determined activities.
 - Acquisition of selected competencies
- 6) The logbook is the record of work done by the candidate in that department / specialty and should be verified by the college before submitting the application of the students for the University examination.

CLINICAL SKILLS : LIST OF COMPETENCIES

Clinical skills can be assessed by case presentation, case-based discussion, objective structured clinical assessment the checklist, MiniCex, as per the institutional preference.

Competency # addressed	Name of Activity
OG5.1	Describe, discuss and identify pre-existing medical disorders and discuss their management; discuss evidence-based intrapartum Care
OG5.2	Determine maternal high risk factors and verify immunization status
OG6.1	Describe, discuss and demonstrate the clinical features of pregnancy, derive and discuss its differential diagnosis, elaborate the principles underlying and interpret pregnancy tests.
OG8.2	Elicit, document and present history in a OBGY patient including obstetric and menstrual history, last menstrual period, comorbid conditions and past medical history
OG8.3	Describe, demonstrate, document and perform a general, systemic and abdominal examination including obstetrical examinations and clinical monitoring of maternal and fetal well-being.
OG8.4	Describe and demonstrate clinical monitoring of maternal and fetal well-being
OG8.5	Describe and demonstrate pelvic assessment in a model
OG35.1	Obtain a logical sequence of history, and perform a humane and thorough clinical examination, excluding internal examinations (perrectal and per-vaginal)
OG35.2	Arrive at a logical provisional diagnosis after examination.
OG35.3	Recognize situations, which call for urgent or early treatment at secondary and tertiary centres and make a prompt referral of such patients after giving first aid or emergency treatment.

Chairperson - Criteria No. -
NAAS Steering Committee
Dr. P. D. M. M. C. Amravati

DEAN
Parabrahm Alias Bhausaheb Deshmukh

Objective Structured Clinical Examination (OSCE):

Station 1. Anaesthesia

A 54-year-old gentleman the patient has collapsed (Breathing Absent) on a corridor in the hospital. Kindly perform basic life support.

Station 2. Ophthalmology

A 68-year-old gentleman has come for cataract surgery. Kindly take consent.

Station 3. Orthopaedics

A 45-year-old male, Mr Rohit, presents to the casualty with wound over the distal aspect of the right leg with multiple exposed bone fragments 1 hour within a road traffic accident. There are no other systemic injuries. He complains of dizziness and palpitation.

Station 4. Obstetrics and Gynaecology - Episiotomy suturing.

We commonly give right medio-lateral episiotomy, when the head is crowning to prevent damage to the pelvic floor muscles. Here is a patient Mrs. X who has just expelled her placenta, and received right medio-lateral episiotomy in her 2nd stage. You are expected to suture her episiotomy under strict aseptic condition and give postnatal advice to the patient.

Station 5. ENT

Counsel a 20 years old college going student to use a hearing aid.

Station 6. Surgery

A 25 year old gentleman comes with complains of acute abdominal pain. Kindly take history and come to a diagnosis.

Station 7. Surgery

A 65 year old lady comes to casualty with complains of acute abdomen history of one day duration, in the epigastric region, severe in nature, boring type, no radiating. On palpation guarding is present. Bowel sounds absent.

Vitals: Pulse rate: 110 BPM Blood pressure: 90/60 mmHg

Kindly perform funduscopy on the patient.
