Following points were discussed in the meeting

The Chairperson Dr. S.S. Rawlani welcomed all the members present in the meeting.

A complaint was received by mail against Anurath Keskar (Junior Resident 2) of medicine department.

The victim pursuing internship from Dr. P.D.M.M.C. Amravati has been mentally harassed and was forced to do unnecessary things doing mentally torture to victim and threaten to victim that he will fail the victim in practical exams.

After conducting enquiry it was found that Dr. Anurag keskar has not indulged in any mental torture of any intern posted in department of Medicine.

During internship no examination is conducted (practical & theory) hence complaint is irrelevant because it is quoted in complaint that Dr. Anurath has threatened interns to fail in practical examination.

All interns posted in Medicine department were called and asked about whether such incident happened or not. They have given statement in writing that no such incident has happened while working as interns in department of medicine.

Dr. Anurath keskar has given a written statement that no such incident has not happened.

Dr. Anurath Keskar has been warned by the members of anti ragging committee to treat all interns professionally & empathically. He has also been warned if such incident happens in future he will be punished as per rules.

The meeting ended with thanks .

Findings

- After all the interrogation, Women's Complaint Committee did not get any clear evidence of directly eve teasing & stalking by Mr. Nitin Pawar to Dr. Miss. Vishakha Vatar . So the women's complaint committee unanimously decided to take action for the safety & security of the complainant.
- The point was noted by women complaint committee that the complainant Dr. Miss. Vishakha Vatar did not inform to the HOD , ophthalmology & not to women's Complaint committee. On the contrary , she directly contacted the Dean & went to the police station & did FIR against Mr. Nitin Pawar.
- The committee decided unanimously that from the phone call records , it was quite evident that Mr. Nitin Pawar had called Dr. Miss Vishakha T. Vatar frequently since 1 ½ year.
- Mr. Nitin Pawar should be transferred from his job of Arogyamitra at P.D.M.M.C. to a place, out of Amravati.

Sir,

A boy from my class Nikhil [redacted], without any reason used very wrong language against me. He said that he would burn me alive and harass me other ways; as in the audio. It has disturbed me a lot.

The language is very bad and He needs to be punished for using such language and should be made to understand that in any condition a girl needs to be respected.

I request you to please listen to all the audio clips and take proper action. So that this never happens again.

R/Sir

With reference to the written complaint received from Shivani Sonune, an urgent meeting was called to enquire about the incidence.

Following members were present.

Dr.S.S.Deshpande, Dr.A.G.Kalbande, Dr.S.S.Pande, Dr.S.N.Agrawal, Dr.Pratibha Kale, Mrs. Trichal Adv.Varshadeshmukh, Ku.P.H.Sakhare, Mr.Deshmukh, Miss Shreya Sarulkar.

Following students of First M.B.B.S were present.

Shivani Sonune & Nikhil Jaybhay.

A detail enquiry was conducted by the committee & the report is as given below.

At the outset Dr.Mrs.S.S.Deshpande informed the committee about the incidence that took place on 10th Oct.2018. The complaint was first made verbally to Dr.Rawalani Prof.& HOD, Deptt of Anatomy, by Shivani Sonune, First M.B.B.S student, on 11th Oct.2018. The verbal complaint made by Shivani Sonune was against Nikhil Jaybhay, a First M.B.B.S student, who had said very vulgar, dirty things for Shivani on social media. As Shivani Sonune had informed her parents, they came on 11th Oct 2018. I was informed by Dr.Rawalani on 11th Oct.2018. Myself, Dr.Rawalani and Dr.A.G.Kalbande met Shivani's parents in the Deptt. Of Anatomy. We assured them that enquiry will be conducted and appropriate action will be taken against the guilty. Dr.Rawalani had called Nikhil's Parents. We met them on 12th Oct 2018, and informed them about the incidence. Written statements from Shivani Sonune and Nikhil Jaybhay were taken on 11 Oct.2018.

1. Shivani Sonune, student of First year M.B.B.S was called before the committee. She informed the committee that on 10 Oct.2018 at around 11pm. some discussion was held on What's App group of first M.B.B.S students. The discussion was regarding comparison between I phone & Nokia. There was some dispute and Shivani said she is leaving the group. Nikhil Jaybhay was also involved in the discussion. Later on, on a separate What's App group which involved only boys, Nikhil Jaybhay said very dirty, filthy, vulgar words & abusive language for Shivani. One of Shivani's friend forwarded the audio recordings to her.
2. Nikhil Jaybhay was called before the committee and he accepted that he had said those dirty and filthy words and abusive language for Shivani on the group, for which he was sorry & submitted written apology. However, he denied having said that "he would burn her alive."
3. Dr.Mrs.S.S.Deshpande placed the audio recordings before the committee.
4. Dr.Mrs.S.S.Deshpande informed about the complaint given by Dr. Prasad Torkadi Asso. Prof. Biochemistry, against Shivani Sonune who interrupted Biochemistry lecture on 11 Oct. (next day of the incidence) without permission and made Nikhil Jaybhay say sorry in front of the class.

Observations of the committee

1. There is truth in the complaint given by Shivani Sonune. On hearing the audio recordings, the committee felt that the complaint is in the category of verbal conduct of sexual nature.
2. Nikhil Jaybhay is guilty and accepted that whatever has been said by him on What's App group is true and it is for Shivani Sonune.

3. Committee observed that the sentence "he would burn me alive" in the written complaint given by Shivani Sonune, was not said by Nikhil Jaybhay. Committee made Shivani listen to the audio recordings again & she accepted that she had understood a particular word wrongly, and it was not about burning her alive.
4. Referring to the letter given by Dr. Prasad Torkadi, regarding Shivani Sonune who interrupted the lecture without his permission and taking law in her hands, punished Nikhil Jaybhay in the lecture hall. Committee felt that it was an act of misconduct by Shivani Sonune.

Conclusion and recommendations of the committee

1. Committee felt that the dirty, filthy, vulgar and abusive language used by Nikhil Jaybhay comes under the category of verbal conduct of sexual nature. It was very embarrassing, as it was said by him on social media. Committee felt that this is very abnormal and suggested that, his psychiatric examination/counseling should be done.
2. For this indecent, uncivilised & vulgar act, Nikhil Jaybhay should be punished appropriately. Committee recommends a fine of Rs. One Lakh and debaring him from appearing in first term Examination.
3. A warning letter to Shivani Sonune for not repeating such kind of misconduct in future along with an apology letter to Dr. Prasad Torkadi, Asso. Prof, Deptt. Of Biochemistry.
