DEPARTMENT OF COMMUNITY MEDICINE

Pdmmc/PSM / 54 / 2023

Date-24/1/2023

Activity (Event) Report

Project/Activity/Event Name: Workshop on "Dissertation- Topic selection to synopsis submission"

Venue/Place: Gray Hall, Dr. PDMMC, Amravati

Department/Section: Community Medicine and Institutional Incubation centre

Date of event/activity/project: 22nd January 2023 **Time:-** 9 am -2.30 pm

Objectives:

- 1) To promote innovative ecosystem for research
- 2) Introducing various committees and sessions on research synopsis drafting.

Importance/Relevance/Introduction: Workshop focused on Innovation ecosystem for research in medical college and drafting of research synopsis.

Brief description of the activity carried out: Workshop covered sessions on Introduction to SRC, IEC, BORS committees, selection of dissertation topic , drafting research synopsis , stating references and annexures (Questionnaire, timeline chart and consent forms)

Recommendations: Innovation ecosystem for research in medical college is much needed and such workshops based on dissertation topic selection and synopsis drafting must be carried out for every batch of post graduate students.

- 1) Covering letter
- 2) List of attendees with signatures
- 3) Notices and schedule of workshop

Project co-ordinator (Name): Dr. P.A. Warbhe

Designation:

Subject: Ethics Committee Re-Registration No. ECR/716/Inst/MH/2016/RR-21 issued under New Drugs and Clinical Trials Rules, 2019.

Sir/Madam,

Please refer to your application no. EC/RENEW/INST/2021/10614 dated 16-Feb-2021 submitted to this Directorate for the Re-Registration of Ethics Committee.

Please find enclosed registration of the Ethics Committee in Form CT-02 vide Registration No. ECR/716/Inst/MH/2016/RR-21. The said registration is subject to the conditions as mentioned below:-

Yours faithfully

VENUGOPAL
GIRDHARILA
L SOMANI

(Dr. V.G. Somani)
Drugs Controller General (I) &
Central Licensing Authority

Conditions of Registration

1. The registration is valid from 09-Apr-2021 to 08-Apr-2026, unless suspended or cancelled by the Central Licensing Authority.
2. This certificate is issued to you on the basis of declaration/submission made by you.
3. Composition of the said Ethics Committee is as per the Annexure.
4. No clinical trial or bioavailability or bioequivalence protocol and related documents shall be reviewed by an Ethics Committee in meeting unless at least five of its members as detailed below are present in the meeting, namely:-
 - (i) medical scientist (preferably a pharmacologist);
 - (ii) clinician;
 - (iii) legal expert;
 - (iv) social scientist or representative of non-governmental voluntary agency or philosopher or ethicist or theologian or a similar person;

Chairperson - Criteria No. III
NAAC Steering Committee
Dr. P. D. M. M. C. Amravati

DEAN
Dr. Panjabrao Alias Bhausaheb Deshmukh
Memorial Medical College, Amravati

5. The Ethics Committee shall have a minimum of seven and maximum of fifteen members from medical, non-medical, scientific and non-scientific areas with at least,

- (i) one lay person;
- (ii) one woman member;
- (iii) one legal expert;
- (iv) one independent member from any other related field such as social scientist or representative of non-governmental voluntary agency or philosopher or ethicist or theologian.

6. One member of the Ethics Committee who is not affiliated with the institute or organization shall be the Chairperson, and shall be appointed by such institute or organization and one member who is affiliated with the institute or organization shall be appointed as Member Secretary of the Ethics Committee by such Institute or organization.

7. The Ethics Committee shall consist of at least fifty percent of its members who are not affiliated with the Institute or organization in which such committee is constituted.

8. The committee shall include at least one member whose primary area of interest or specialisation is non-scientific and at least one member who is independent of the institution.

9. The Ethics committee can have as its members, individuals from other Institutions or Communities, if required.

10. Members should be conversant with the provisions of New Drug and Clinical Trials Rules, 2019, Good Clinical Practice Guidelines for clinical trials in India and other regulatory requirements to safeguard the rights, safety and well-being of the trial subjects.

11. The members representing medical scientists and clinicians shall possess at least post graduate qualification in their respective area of specialization, adequate experience in the respective fields and requisite knowledge and clarity about their role and responsibility as committee members.

12. As far as possible, based on the requirement of research area such as HIV, Genetic disorder, etc., specific patient group may also be represented in the Ethics Committee.

13. The Ethics Committee may associate such experts who are not its members, in its deliberations but such experts shall not have voting rights, if any

14. No member of an Ethics Committee, having a conflict of interest, shall be involved in the oversight of the Clinical trial or bioavailability or bioequivalence study protocol being reviewed by it and all members shall sign a declaration to the effect that there is no conflict of interest.

15. While considering an application which involves a conflict of interest of any member of the Ethics Committee, such member may voluntarily withdraw from the Ethics Committee review meeting, by expressing the same in writing, to the Chairperson. The details in respect of the conflict of interest of the member shall be duly recorded in the minutes of the meetings of the Ethics Committee.

16. Any change in the membership or the constitution of the registered Ethics Committee shall be intimated in writing to the Central Licencing Authority within thirty working days.

17. The Ethics Committee shall review and accord approval to a Clinical trial, Bioavailability and Bioequivalence study protocol and other related documents, as the case may be, in the format specified in clause (B) of Table 1 of the Third Schedule of New Drugs and Clinical Trials Rules, 2019 and oversee the conduct of clinical trial to safeguard the rights, safety and wellbeing of trial subjects in accordance with these rules, Good Clinical Practices Guidelines and other applicable regulations.

18. Where a clinical trial site does not have its own Ethics Committee, clinical trial at that site may be initiated after obtaining approval of the protocol from the Ethics Committee of another trial site; or an independent Ethics Committee for clinical trial constituted in accordance with the provisions of rule 7: provided that the approving Ethics Committee for clinical trial shall in such case be responsible for the study at the trial site or the centre, as the case may be; provided further that the approving Ethics Committee and the clinical trial site or the bioavailability and bioequivalence centre, as the case may be, shall be located within the same city or within a radius of 50 kms of the clinical trial site.

19. Where a Bioavailability or Bioequivalence study centre does not have its own Ethics Committee,

Chairperson - Criteria No. 1
NAAC Steering Committee
Dr. P. D. M. M. C. Amravati

DEAN
Dr. Panjabrao Alias Bhausaheb Deshmukh
Memorial Medical College, Amravati

bioavailability or bioequivalence study at that site may be initiated after obtaining approval of the protocol from the Ethics Committee registered under rule 8: Provided that the approving Ethics Committee shall in such case be responsible for the study at the centre: Provided further that both the approving Ethics Committee and the centre, shall be located within the same city or within a radius of 50 kms of the bioavailability or bioequivalence study centre.

20. Ethics committee shall indicate the reasons that weighed with it while rejecting or asking for a change or notification in the protocol in writing and a copy of such reasons shall also be made available to the Central Licencing Authority.

21. Ethics committee shall make, at appropriate intervals, an on-going review of the trials for which they have reviewed the protocol. Such a review may be based on the periodic study progress reports furnished by the investigators or monitoring and internal audit reports furnished by the sponsor or by visiting the study sites.

22. Where any serious adverse event occurs to a trial subject or to study subject during clinical trial or bioavailability or bioequivalence study, the Ethics Committee shall analyse the relevant documents pertaining to such event and forward its report to the Central Licencing Authority and comply with the provisions of Chapter VI, New Drugs and Clinical Trials Rules, 2019.

23. The Ethics committee shall undertake proper causality assessment of SAE's with the help of subject experts wherever required, for deciding relatedness and quantum of compensation, as per condition no (22) mentioned above.

24. Where at any stage of a clinical trial, it comes to a conclusion that the trial is likely to compromise the right, safety or wellbeing of the trial subject, the Ethics committee may order discontinuation or suspension of the clinical trial and the same shall be intimated to the head of the institution conducting clinical trial and the Central Licencing Authority.

25. Ethics committee shall comply with the requirements or conditions in addition to the requirements specified under the Drugs & Cosmetics Act, 1940 and New Drugs and Clinical Trials Rules, 2019, as may be specified by the Central Licencing Authority with the approval of the Central Government, to safeguard the rights of clinical trial subject or bioavailability or bioequivalence study subject.

26. Ethics Committee shall review and approve the suitability of the investigator and trial site for the proposed trial.

27. The Ethics Committee shall maintain data, record, registers and other documents related to the functioning and review of clinical trial or bioavailability study or bioequivalence study, as the case may be, for a period of five years after completion of such clinical trial.

28. Funding mechanism for the Ethics Committee to support their operations should be designed and approved to ensure that the committee and their members have no financial incentive to approve or reject particular study.

29. SOP's for funding of the Ethics committee in order to support their operations must be maintained. The records of income & expenditure of Ethics Committee shall be maintained for review and inspection.

30. The Chairman of Ethics Committee shall enter into MOU with head of institution, that necessary support and facilities and independence will be provided to Ethics Committee and their records will be maintained.

31. The Ethics Committee shall allow any officer authorized by the Central Licencing Authority to enter, with or without prior notice, to inspect the premises, any record, or any documents related to clinical trial, furnish information to any query raised by such authorized person, in relation to the conduct of clinical trial and to verify compliance with the requirements of these rules, Good Clinical Practices Guidelines and other applicable regulations for safeguarding the rights, safety and well-being of trial subjects.

32. Where Central Licencing Authority is of the opinion that Ethics Committee fails to comply with any provision of the Drugs and Cosmetics Act, 1940 and New Drugs & Clinical Trials Rules, 2019, it may issue show cause notice to such Ethics Committee specifying therein such non-compliances and the period within which reply shall be furnished by such Ethics Committee. After consideration of the facts and reply given by the Ethics Committee, the Central Licencing Authority may take one or more actions specified under provision of Rule 14, Chapter III of New Drugs and Clinical Trials Rules, 2019.

Scientific Review Committee Guidelines

Scientific review committee is constituted to guide researchers on their research synopsis and granting them approvals for further submission to Institutional Ethics Committee

Scientific Review Committee (SRC) examines synopsis for the following parameters:

- Title-** Appropriate, clear, brief, reflecting primary objectives and study design
- Introduction-** Brief mention on topic, magnitude of problem, importance, lacunae in previous related studies.
- Rationale of study-** It should answer this question - why is current research being conducted?
- Research Question-** What is your primary objective that needs to be answered by this research, mention it in question format.
- Hypothesis-** It will be answer to above research question in own words of researcher. Clearly stated and reflects relation between variables.
- Review of literature-** Includes findings of recent/ ongoing research relevant to present study, knowledge gap for stated problem, includes 5 study findings (Textbooks, Journal articles, website etc) with name of author and year of publication (Kulkarni et.al. 2022) and arrange them in recent to old order. Choose studies which are published within 10 years of present research conduction.
- Aim-** It is "Title of study"
- Objectives-** Specific, Measurable, Achievable, Realistic, can be divided into primary or secondary
- Methodology-**
 - Study design- Prospective/ RCT/ Longitudinal/ Cross-sectional
 - Study setting- Place where study will be conducted
 - Study population- Participants on whom study will be based
 - Sample size- Based on previous study prevalence estimate, calculated with open epi info software @95% CI and 5-10% of precision. Previous study reference number needs to be cited in superscript format.
 - Sampling technique- Probability/ Non probability

Amruse

Chairperson - Criteria No. III
NAAC Steering Committee
Dr. P. D. M. M. C. Amravati

DEAN

Dr. Panjabrao Alias Bhausaheb Deshmukh
Memorial Medical College, Amravati

- Inclusion and Exclusion criteria- Needs to be written point-wise (Method of patient/ participants selection)
- Operational definition- Definitions of key variables, parameters on which study is based should be quoted from standard references and cited in Vancouver superscript
- Methods of measurements- Describe in brief laboratory technique or measurement of variables which are used in study protocol.
- Study instrument/ Data collection tool- Describe proforma (questionnaire) in brief.
- Data management and analysis- Data entry tool and analysis plan (test to be applied depending on data type) with software used
- Additional points for RCT- Randomization, Allocation, Blinding, explain intervention in detail

j) **Reference style-** Vancouver (As it appears in text)

k) **Citation of reference in text-** Vancouver, Number in superscript without bracket.

l) **Annexures-** 1) Case record form / proforma/questionnaire

2) Consent form in three languages (English, Hindi, Marathi)

3) Time line chart- Gantt chart depicting major steps in research process and time in months required for each

SRC committee members call meeting to discuss research proposals and guide the researchers on above parameters and provide approval and direct them to IEC for their approval.

Date: 4th August 2023

The Dean
Dr. Panjabrao Deshmukh Memorial Medical College,
Shivaji Nagar,
Amravati - 444603, Maharashtra

Subject: Recognition of Scientific and Industrial Research Organisations
(SIROs).

Dear Sir,

This has reference to your application for recognition of **Dr. Panjabrao Deshmukh Memorial Medical College, Amravati, Maharashtra** as a Scientific and Industrial Research Organisation (SIRO) by the Department of Scientific and Industrial Research under the Scheme on Recognition of Scientific and Industrial Research Organisations (SIROs), 1988.

2. This is to inform you that it has been decided to accord recognition to **Dr. Panjabrao Deshmukh Memorial Medical College, Amravati, Maharashtra** from **02.06.2023 to 31.03.2026**. The recognition is subject to terms and conditions mentioned overleaf.

3. Receipt of this letter may kindly be acknowledged.

Yours faithfully,

(Dr. P.K. Dutta)
Scientist - 'G'

Chairperson - Criteria No. III
NAAC Steering Committee
Dr. P. D. M. M. C. Amravati

DEAN
Dr. Panjabrao Alias Bhausaheb Deshmukh
Memorial Medical College, Amravati

TERMS AND CONDITIONS FOR RECOGNITION OF SCIENTIFIC AND INDUSTRIAL RESEARCH ORGANISATIONS (SIROs)

1. The organizations should acknowledge receipt of the recognition letter by stating that they will abide by the terms and conditions of recognition.
2. The recognition will entitle the SIRO to receive such administrative support from the DSIR, Ministry of Science & Technology as may be required on issue to promote or encourage scientific research activities.
3. SIROs recognized by DSIR are also deemed to be registered. A separate certificate of registration** is issued along with the recognition letter. The recognition would be valid for the period specified in the recognition letter and application for renewal of recognition shall be submitted in the prescribed proforma at least 3 months before the expiry of the valid recognition. Failure to submit application in time may lead to automatic lapsing of the recognition & registration.
***However, the certificate of registration is not issued to SIROs engaged in activities falling within the definition of 'hospital' as per notification No. 51/96-Cus. Dt. 23.07.1996 issued by the Department of Revenue.*
4. The recognition of DSIR does not amount to approval u/s 35(1)(ii)/(iii) of Income Tax Act, 1961.
5. The registration will entitle the SIROs to avail of custom duty exemption on purchase of equipment, instruments, spares thereof, consumables, etc. used for research and development subject to relevant Government policies in force from time to time. Custom duty exemption has to be separately dealt with the customs authorities. The SIROs should abide by the terms & conditions of the customs notifications issued/amended from time to time.
6. Separate books of accounts shall be maintained by the SIRO for research & development activities and the R&D expenditure, both capital and recurring should be reflected the Annual Report and Statement of Accounts of the Organization in separate schedules.
7. Disposal/sale of equipment and products/prototypes/intermediates, if any, emanating from the R&D/pilot plant, should be intimated to DSIR immediately. The realization, if any, from above or any services rendered etc. shall be shown in the R&D accounts of the organization as income of the SIRO in the audited accounts as well as annual report and should be used or reinvested for research activities only. In case of disposal/sale of R&D equipment, clearance from custom authorities will also be required in view of the applicable notifications under which the equipment was imported/purchased in India.
8. Accelerated depreciation allowance as per Rule 5(2) of Income Tax Rules 1962 will be available on investments on plant & machinery by any industrial unit which has made these investments for the purpose of commercialization of technology/know-how acquired from a SIRO recognition by DSIR.
9. Brief summary of the achievements of the organization shall be submitted to the DSIR every year. This should include details related to papers published, patents obtained and process developed, new products introduced, awards & prizes received, copy of Annual Report and Statement of Accounts of the organization etc. List of equipment, instruments, parts and consumables imported/purchased using the duty exemption should also be submitted to DSIR along with the Annual Report.
10. Any violation of the terms & conditions mentioned-above and / or provisions of taxation in force will make the organization liable to de-recognition.
11. The organization will also conform to such other conditions for recognition stipulated in the Guidelines or as may be specifically provided in the recognition letter.
